

GRACE COMMUNITY PRESCHOOL

A different kind of education...One that begins by focusing on a child's heart!

We at Grace Community Preschool focus on the child's heart and help each student reach his or her greatest potential as designed by their Creator. We address the academic, social, spiritual, emotional, and physical needs of each child with a Bible-based program.

We are an "Open Enrollment" school; you are welcome to apply to our school whether you attend church or not. We teach with a Christian philosophy of education and invite parents to apply according to our admission policies.
